Call for papers: Conference of the Development Economics Network Switzerland

We are pleased to announce the 4th annual conference of the Development Economics Network Switzerland (DENS) that will be hosted by the University of St. Gallen on September 3 and 4, 2020.

The conference will last from Thursday morning (September 3) to Friday noon (September 4). Conference participants are expected to finance their travel and accommodation (see below for a list of hotels close to the city center and the conference venue). The University of St. Gallen will cover lunch and dinner on Thursday.

The deadline for submissions is June 20, 2020. Please submit your papers by email to dens2020conference@gmail.com. We would appreciate it if you could forward this call for papers to your colleagues and advanced Ph.D. students.

We hope conferences will be possible in September. If so, we would be excited to welcome you to St. Gallen. Otherwise, we will consider moving the conference online.
